Comments: When Bob Adams came to my work place with this insurance offer, I really did not think that I needed it but Bob said: with accidents, you never know. And he also mentioned that the hospitals are full of people today that yesterday never planned on being there. Wow and I glad I listened. Little did I know that ten days later

Date: _____
 Comments: Continues from Pg 1

I would be affected by a life changing work accident. I fell head first off of a 3 story building we were building. I was life flighted to Sioux Falls and spent many weeks in ICU and several surgeries. Bob went to Sioux Falls with my interpreter and got over 1000 pages of medical records to help with my claim. I thank God every day

Pg 3

For Family Heritage + for Bob Adams. They have paid me just short of \$100,000 so far. I have not been able to work for a year and a half but the unplanned benefits that were paid to me have been a Godsend. If you're reading this, wondering if you should do this insurance, we don't know from moment to moment if something is going to happen and if that "I'm Case" does not happen, you get every penny back that you've paid in. Thank you Family Heritage and thank you Bob Adams!!
