I was so grateful to feel not only financially secure, but personally cared about when I took my ACL spring of 2020. Especially because this injury marked my second ACL tear. I was worried about the burden it would be on my family as we went through the process of diagnosis, surgery, and physical therapy. Family Heritage provided me and my family the confidence to ensure a fully covered ~~with~~ healing process, and I am so grateful for the deeply caring network they have provided for us!
